

FLUORSPAR SAMPLE ORDER FORM

Ref **KH-FS-2026-09-SOF**

2 September 2026

How this works. Complete, sign and return by email with proof of payment. Kutlwano Holdings books the courier on its own account and is the shipper of record; dispatch is within three working days of cleared payment. Every sample carries a Kutlwano lot number, the Kutlwano data sheet, and a certificate of analysis on that lot issued in Kutlwano's name by an independent South African laboratory. The mutual confidentiality agreement (KH-FS-2026-09-NDA) is signed with this form.

BEFORE YOU PAY

Pay the proforma amount in full; bank charges are for the sender. Email the proof of payment with this form. Kutlwano never asks you to pay to any account other than the one printed here. If you receive different banking details, telephone Kutlwano before paying.

1

DOCUMENTS

Data sheet, independent certificate and photographs reach your factory first, for a preliminary approval.

2

SAMPLE

The sealed unit from the same Kutlwano lot confirms the certificate on your own bench. This form orders it.

3

TRIAL SHIPMENT

Your nominated inspector assays the consignment at Durban at stuffing. Balance payment follows that certificate.

TERMS

- Full prepayment to Kutlwano Holdings before dispatch. Dispatch within three working days of cleared payment, by international courier on Kutlwano's account, to the address stated. Duties, taxes and any sample permit at destination are for the buyer's account.
- The sample is drawn from a single production lot under a Kutlwano lot number. The certificate of analysis is issued on that lot, in Kutlwano's name, by an independent South African laboratory.
- Tonnage pricing is quoted separately after the sample has been evaluated, on the basis and destination the buyer states.
- This form, the Kutlwano proforma and the signed confidentiality agreement together constitute the sample agreement. South African law governs.
